

Solutions

In Every Step

It is a long established fact that a reader will be distracted by the readable content of a page when looking at its layout.

[Take A Look](#)

Welcome to k-Tech Engineering

Your One-Stop Industrial Products & Solutions Provider

K-tech Engineering established in 1989 under tutelage of Mr. Rao has maintained a significant position in Compressed Air Treatment industry.

Located around 25 to 30 km from Pune, the company claims to serve varied range of satisfied clientele over the 34 years of its operations.

The company is now looked after

second generation of entrepreneurs Ms. Richa. She is metallurgical engineer herself had long career in top engine manufacturing company as supplier quality engineer and worked in R& D also.

For past 7 years

along with her younger sibling has now taken the helm of the company. Along with 3 skilled and 3 unskilled workers K-tech Engineering banks upon high quality low volume products and has prominence in the field
